

Wild Style
design company

Come see us on Tuesday
October 30, 2012

at the Town Of Normal's

Halloween Treat Feast

at Uptown Normal from 5-6:30 on North Street

We will be offering our Mini-Masks, Full Masks, Fall Faces and "match my costume" for suggested tips.

While a small portion of the proceeds are given back to Uptown Normal for the event, we at Wild Style feel moved and called to give the rest of any proceeds and **ALL** tips we bring in to help **"Prayers for Alivia"**. Learn about this journey on Facebook (search Prayers for Alivia) to see the journey that this family is on. After you read about their story you can see why we feel overwhelmed and called to do all we can. All 6 of us painting on Tuesday at the Treat Feast in Uptown Normal have chosen to dedicate our time and give proceeds and tips to the "Prayers for Alivia" cause. **We hope you visit us on the 30th and help us help this family!**

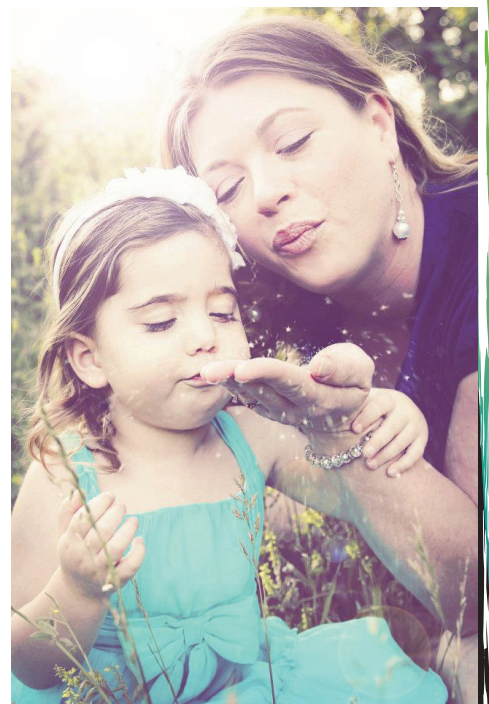

We will also be waiving all of our standard painting fees and painting for **DONATIONS ONLY** (with ALL donations being given to the "Prayers for Alivia" cause) at the benefit event on **November 3rd** from **7:00 to 11:00PM** for our continued efforts to support this family and their cause.
